

Tricycle & Pushchair.

Our tricycles and Push Chairs support many functions such as folding and rotation seat which enables two directions usage etc., while growing with your kids from age 10 Months to 6 years old. For most of the models you can use them as a stroller at the beginning, and as a basic tricycle when your kids grow old enough for independent pedaling.

Prime 6-in-1 Trike.

With 6 different modes, this trike grows with your child from 10 to 72 months. Easily steer the trike in parent mode with the front free-wheel system. The rotating and reclining high-back padded seat is equipped with a removable footrest, 5-point safety harness, and detachable safety surround for comfort and safeness. Trike also has the following features: adjustable parent handle, extendable UV protection canopy, foldable middle footrest, rear brakes, handlebar clutch, parent storage bag, and rear storage basket.
