

# Tricycle & Pushchair.

Our tricycles and Push Chairs support many functions such as folding and rotation seat which enables two directions usage etc., while growing with your kids from age 10 Months to 6 years old. For most of the models you can use them as a stroller at the beginning, and as a basic tricycle when your kids grow old enough for independent pedaling.

# Ant Basic Trike.

Irreplaceable basic trike is suitable for 2-6 years children to practice their control of balance and speed when riding. The new foldable tricycle by QPlay.ANT basic tricycle is like an ant: small, but powerful when riding. It has a foldable frame, height adjustable seat and handlebar.
