

# Sticky the UNICORN

## Believe in unicorns!

Sticky the Unicorn is moldable and sticky!  
That's the kind of magic we expect from  
our Unicorns

# Sticky the BOO!

## Sticky with a hint of spooky

Splat, stick and glow in the dark! Sticky the Boo has paranormal skin that can illuminate a ghoulish glow. Play with all the lights off and aim your Sticky the Boo at a dark wall and watch it stick, stay put and glow for hours!

# Sticky the cupcake

## Sticky frosted fun!

Sticky the Cupcake has a moldable middle and sticky outer surface that is ideal for chucking and sticking against any flat surface. It's fun to throw but terrible to eat so don't eat it. Throw it. Watch it splat and stick. But never eat.

# Sticky the emoji

**Throw me how you really feel!**

Sticky the Emoji has a moldable middle and sticky surface that splats and sticks to any surface. If it gets dirty, just wash with water and it regains its stickiness.

# Sticky Food Fight!
